# MEGA LITE®
# VICEROY

**Product Description:**

The Viceroy is a unique lighting fixture that combines three lighting principles into one unit. It features a large reflector that creates a scoop effect, powered by a 400W LED engine with red, green, blue, amber, and lime colors. This setup produces a vast, soft-edged pool of light, ideal for general illumination and color blending.

Surrounding the scoop are eight segments containing 256 0.5W red, green, and blue LEDs. These segments can be controlled individually as pixels or through macros to create stunning circular color effects. Additionally, the fixture includes a five-segment center strobe bar equipped with high-power amber and cool white LEDs, which adds dynamic bursts of energy to any installation or production.

The Viceroy is housed in an IP65-rated enclosure, providing protection from inclement weather, making it suitable for both indoor and outdoor use. You can customize the unit with various grills and filter covers that soften the ring and strobe effects, or choose to frost the entire unit using its four-hole front-mounted screen system. Make the Viceroy a key part of your stage setup.

### 400W RGBAL Center LED

The Viceroy's 400W RGBAL engine delivers vibrant colors, smooth transitions, and high-quality white light, making it ideal for stage, architectural, and entertainment lighting.

### Modern scoop 3-element effect

Delivers a broad, uniform, and powerful color wash. Ideal for architectural, entertainment, and club settings, it brings a modern, dynamic flair to any environment enhancing an immersive lighting experience.

### Amber and Cool White 5-segment strobe bar

Featuring high-intensity strobe effects in Amber and Cool White, this 5-segmented bar creates dynamic, customizable patterns. Add the energy and impact you need to any performance or installation.

### Outer 8-segment RGB Pixable ring

This feature offers independent control over the RGB segments, allowing for versatile color effects around the fixture's perimeter. Perfect for creating clean, precise lighting accents in any setting.

### IP65 rating

With an IP65 rating, the Viceroy is protected against dust and rain, making it ideal for indoor and outdoor applications.

## Mechanical Specifications

| | |
|---|---|
| IP Rating: | IP65 |
| Housing: | Die-Cast Aluminum |
| Power Connection: | Input: Seetronics SAC3MPX-67 |
| | Output: Seetronics SAC3FPX-67-01 |
| | Cable Input: Nema 5-15 to SAC3FX-67 |
| | (cable included) |
| Signal Connection: | Input: Seetronics J5F2C-W-B-67 5-pin XLR |
| | Output: Seetronics K5F2C-W-B-67 5-pin XLR |
| Fastening System: | Mounting yoke with available quick-release clamp accessory |
| LED Angle: | Center: 55° / Bar: 60° |

## Electrical Specifications

| | |
|---|---|
| Light Source: | Center: 1 X 400W Red, Green Blue, Amber, Lime |
| | Ring: 256 X 0.5W Red, Green, Blue (8 segments) |
| | Bar: 35 X 20W Amber, Cool White (5 Segments) |
| Color Temperature: | 7105 K (all emitters) |
| CRI: | 77 (all emitters full) |
| | 92 (configured) |
| Lumen Output: | 13458 Lm |
| Power Supply: | Electronic 100-240V AC 50/60 |
| Power Consumption: | 449 Watts 3.69 Amps @ 120V |

| | |
|---|---|
| Power Link: | 3 Units @ 120V |

## Control System

| | |
|---|---|
| Control Protocols: | DMX 512, RDM |
| RDM: | Fixture Label, DMX Start Channel Address, Channel Mode Set, Temperature Sensor, Keep DMX Data, Scan Rate, Dimmer Curve, White Balance RGBW, Fan Speed |
| Channel Modes: | 4 Modes of operation |
| | Mode 1: 5 Channel mode |
| | Mode 2: 20 Channel mode |
| | Mode 3: 39 Channel mode |
| | Mode 4: 54 Channel mode |

## Size and Weight

| | |
|---|---|
| Fixture Size: | 21.6" x 19" x 10.6" |
| | (54.86 cm x 48.26 cm x 26.92 cm) |
| Fixture Weight: | 42.1lbs (19.09 kg) |
| Packaged Size: | 25.75" X 22.5" X 14.5" |

(65.40 cm x 57.15 cm x 36.83 cm)

Packaged Weight: 53 lbs (24.04 kg)

## Included Items

Viceroy
Power Cable
Manual

## Accessories

| | |
|---|---|
| Ring and Center Bar Diffusion | 4155-ACC-H |
| Full Diffusion | 4155-ACC-DIF |
| Hexagon Metal Grill | 4155-ACC-HEX |
| Quick Release Clamp | 4155-HOU-QUI |
| 4 Unit Case | CAS-4155-4-B |
