outshine^{*}T54

outshine^{T54}

DESCRIPTION

The Outshine T54 is a Tri-color LED, ETL-listed, and powerful color-changing par fixture for indoor and outdoor use. The unit has 18 3-watt tri-RGB LEDs and is IP rated 65. It has three modes of operation and four dimming modes and is flicker-free. It features silent operation, making it ideal for indoor use as well. Production-friendly, the Outshine T54 fits in most 12" trusses and is lightweight. Ground stand or hang this unit via its double-mounting yoke.

Features
