

CIRCA
GIANT

DES CRIP TION

MEGA-Lite presents a new addition to the Circa ScoopLED Series. This is our largest next-level unit designed with four different elements that can be used in multiple applications. With all the same great features of the rest of our Circa scoop line in one new gigantic package.

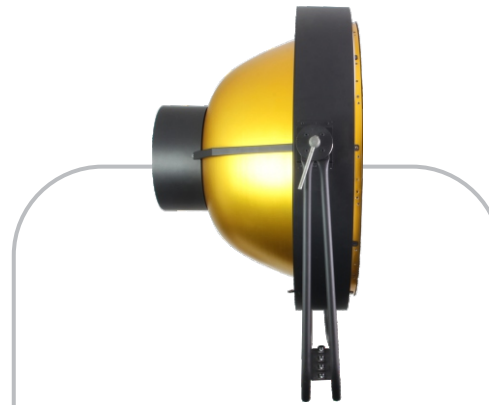

With a retro look and modern twist the Circa GiantScoop LED takes the unique design and effects of our previous circa scoops to a whole new scale. Whether placed on the floor or rigged, this unique fixture can make any band or performer stand out from the rest.

Features.

GIGANT SIZE

The Circa Giant Scoop is the largest of our Circa Scoop series with all the same great features of the circa scoops in one new giant package.

SEGMENT CONTROL

The Circa Giant Scoop LED has eight segments of control for the inner and outer rings along with two other segments of control which you can use to create incredible effects.

UNIQUE EFFECTS

The Circa Giant Scoops independent control of dimmer, macro, and strobe effects can be used to create a multitude of unique effects.
