DECO
PARLED Q10

DESCRIPTION

The color changing IP64 DECO Parled Q10 offers a bold and elegant approach to interior and exterior applications. Designed with 7 Red, Green, Blue and Warm White LEDs, this unit provides bright radiant colors for ambient and directional lighting. With a 3267K warm white color temp, this compact unit can be used to highlight specific items or areas with rich, saturated colors or soft warm whites.

The use of the Voltage over Ethernet method enables this fixture to be easily installed without the need for conduit. As part of the DECO Series, the Parled Q10 was designed to provide versatility with simplicity by being able to connect to a number of different DECO Drivers for power and control connection. Simplify your next install with the DECO Parled Q10!

TETRA COLOR

Featuring Red, Green, Blue and Warm White color mixing, it can create an abundance of color combinations.

IP RATED

With an IP64 rating, this unit was designed to be suitable for interior or exterior installations.

COMPATIBLE

The DECO PARLED Q10 was designed with simplicity and versatility in mind; connect to DECO Drivers for power and control connection.

SOURCE
- LED TYPE: SMD 5050 R,G,B, WW
- LED QTY: 7 RGBWW LEDs
- EACH LED WATT: 1.4W

EFFECTS
- TETRA COLOR: RED, GREEN, BLUE, WARM WHITE
- COLOR TEMP ON WW: 3267K
- CRI: (WARM WHITE) 84.3

OPTICAL SYSTEM
- FIXTURE LENS ANGLE: 27º (W/O DIFFUSER)

CONTROL & PROGRAMMING
- DECO Drive CV1: CONNECT ONE FIXTURE PER OUTPUT PORT, POWER LINK UP TO 9
- DECO Drive CV3 DIN: CONNECT ONE FIXTURE PER OUTPUT PORT, POWER LINK UP TO 27
- DECO Drive CV4: CONNECT ONE FIXTURE PER OUTPUT PORT, POWER LINK UP TO 36
- CONTROL: DMX 512 (WHEN USING DECO DRIVER)
- DMX CHANNELS: 2 MODE OF OPERATION WITH DRIVER

THERMAL & RATINGS
- IP RATING: IP64

ELECTRICAL & CONNECTIONS
- TOTAL MAX POWER: 9.8
- POWER INPUT: 24V DC
- POWER CONNECTION: RJ45 IN AND OUT
- DRIVE METHOD: CONSTANT VOLTAGE

PHYSICAL
- HOUSING MATERIAL: ALUMINUM
- CABLE LENGTH: 6 INCH

RIGGING
- INSTALLATION SYSTEM: ELECTRICAL BOX MOUNT

ODERING INFO: **Part Number:**
- DECO PARLED Q10 5054

DIMENSIONS:
- FIXTURE SIZE: 4.72" X 4.72" X 9.75"
- FIXTURE WEIGHT: 2.2lb
- PACKAGED SIZE: 5.5" X 5.5"X 11.5"
- PACKAGED WEIGHT: 2.5lb

*Specifications Subjet To Change

CONNECTION EXAMPLES: TO SEE EVERY DECO FIXTURE COMPATIBILITY PLEASE SEE FIXTURE'S MANUAL
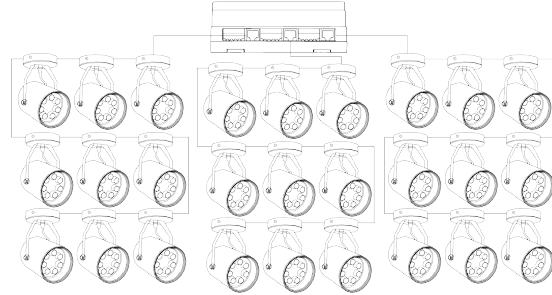

DECO DRIVE CV1
(One unit per output port, up to 9 when power linked.
Total of 1 output x 9 fixtures.)

DECO DRIVE CV3 DIN
(One unit per output port, up to 9 when power linked.
Total of 3 outputs x 27 fixtures.)

DECO DRIVE CV4
(One unit per output port, up to 9 when power linked.
Total of 4 outputs x 36 fixtures.)

DECO DRIVE CV24
(One unit per output port, up to 9 when power linked.
Total of 24 outputs x 48 fixtures.)
